

Quality

We are able to maintain and develop our customer base by having implemented a quality system with detailed policies and procedures supported by well trained personnel whose primary concern is customer satisfaction.

Inkon Labels annually achieves the following:

- ISO 9001:2015 certified (Flexographic, screen and digital printing on different substrates which include paper, plastic and metal, no exclusions).
- HACCP graded company.
- S.A.N.H.A certified vendor.
- FSC certification.
